

Prevention of Bad Checks and the Forgery of Checks begins with the proper taking of Identification

CHECK LIST FOR TAKING IDENTIFICATION

- Always ask for PHOTO identification, preferably a Drivers License.
- Compare person with picture on ID.
- Compare **Signature** on ID with that on check.
 - **The person/clerk accepting the check must obtain this information and write on face of check**
 - License number or Social Security number
 - Type of ID and State of issuance
 - Expiration date of license
 - Date of Birth
 - Initials of person whom accepted the check

**(Please do not allow check writer to put this information on the check;
person or clerk accepting check MUST obtain/write on face of check)**
